

# Customized Factoring Solutions

for

Small and Mid Sized Companies

Power Up your Cash Flow  
with

**Accutrac Capital Solutions**

## Invoices Paid within 24 hours

In today's business environment, clients taking 30 to 60 days to pay their invoices is expected. This makes managing your cash flow difficult as salaried employees, suppliers and lease payments are due. Factoring with Accutrac Capital Solutions is a powerful financial tool that allows you to have your invoices paid within 24 hours.

## Fast Flexible Factoring

Accutrac Capital Solutions buys your invoices and pays you up to 90 % of the face value up front.

Respecting the importance of the relationship with your customers, Accutrac Capital Solutions provides a professional, courteous service to collect on each invoice as it is due. Upon completion of the transaction, Accutrac Capital Solutions pays you the balance owing minus a small service fee.

- Access to sufficient capital
- Reduce your average days receivable
- Reduce your credit risk
- Reduce your administration costs

Affordable reliable support for small & mid sized business

## Maximize the use of your largest asset

Factoring services by Accutrac Capital Solutions is easier to obtain than a business loan. Our financing solutions designed specifically for small and mid sized companies are quick and flexible, a financing line can usually be set within 2 weeks. The biggest requirement for approval is that you do business with credit worthy clients.

### The Process

- 1.) You deliver goods or services to your customer
- 2.) Accutrac Capital Solutions advances 90% of the invoice face value to you within 24 hours
- 3.) You utilize the instant cash resources to smooth out your cash flow
- 4.) Accutrac Capital Solutions collects the invoice amount from your client and provides a second installment of the balance minus a small fee for the transaction

When you need instant cash resources contact Accutrac Capital Solutions

## Financial Security & Proven Experience

Founded in May of 2007, Accutrac Capital Solutions Inc. currently factors millions in annual sales to over 2,000 corporate debtors. Our growing list of loyal customers is evident of the strengths and benefits provided by this sound financial strategy. With secured funding as our base of operations backed by solid business values, you can take confidence in knowing you are partnered with proven experience.

### MEET THE PRINCIPLES

**Ken Judd**

Ken has over 32 years of experience in business management. Having owned and operated a successful and profitable freight transportation company, Ken knows what it takes to thrive in business. With a well rounded set of skills, Ken is a valuable asset to Accutrac in determining cost savings available to clients, evaluating the net worth of equipment and aiding in assessing business values.

**Charles Sheppard**

Charles combines 15 years of accounting and financial services with 6 years of senior management experience. He has a business education from Memorial University.

Charles has solid accounting and technical skills coupled with a high degree of systems knowledge and experience. Historically, Charles has worked with management in developing business plans, budgeting, cost analysis, break even analysis, financial statement analysis, tax planning and advanced business modeling.
